NOTICE INVITING GENERAL CONTRACTOR PREQUALIFICATION

Prequalification Questionnaires will be received by the University of California, Irvine (UCI) from General Contractors (GC) wishing to submit bids for the DM 2017-18 BLACK START GENERATOR AND POWERMAX PHASE 2, PROJECT NO. 5112169 / CONTRACT NO. GF14764.

DESCRIPTION: University of California, Irvine Central Plant requires an emergency backup generator ("Black Start") to power critical loads to keep the existing cogeneration system functional in the event of a loss-of-power from the electrical utility company. This project will provide and install a "Black Start" generator system, an air compressor system, and associated electrical infrastructure for the Central Plant cogeneration system. This will allow startup of the Central Plant to occur independently of the electric utility.

ESTIMATED CONTRACT TIME: 270 Days

PROJECT DELIVERY: Design-Bid-Build

ESTIMATED CONSTRUCTION COST: $1,700,000

PROCEDURES: Prequalification questionnaires will be available electronically at 2:00 PM on December 19, 2019 from UCI Design & Construction Services.

Mandatory Prequalification Conference begins promptly at 9:30 AM on January 8, 2020 at University of California, Irvine, Design & Construction Services, Wright Conference Room, 101 Academy, Suite 200, Irvine, CA 92697.

Prequalification questionnaires must be received by 2:00 PM on January 24, 2020 only at UCI Design & Construction Services, 101 Academy, Suite 200, Irvine, CA 92697.

UCI reserves the right to reject any or all responses to this notice, to waive non-material irregularities, and to deem Contractors prequalified for the project. To prequalify, Contractors must agree to comply with all conditions including state prevailing wages, 10% bid bond, 100% payment and performance bonds, and insurance requirements. General Engineering “A” or General Building “B” California Contractors License required.
Every effort will be made to ensure that all persons have equal access to contracts and other business opportunities with the University within the limits imposed by law or University policy. Each Bidder may be required to show evidence of its equal employment opportunity policy. The successful bidder and its subcontractors will be required to follow the nondiscrimination requirements set forth in the bid documents and to pay prevailing wage rates at the location of the work.

No contractor or subcontractor may be listed on a Bid for this project unless registered with the Department of Industrial Relations pursuant to California Labor Code Sections 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)].

No contractor or subcontractor may be awarded any portion of this project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 and 1771.1.

This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

The successful bidder shall pay all persons providing construction services and/or any labor on site, including any University location, no less than the UC Fair Wage (defined as $15 per hour as of 10/1/17) and shall comply with all applicable federal, state and local working condition requirements.
