

UC Irvine
Facilities Management

FIRE ALARM ASSESSMENT NOTIFICATION

Location: Aldrich Hall – Building #111

Disruption/Outage: Intermittent ladder noise, fire alarm activation and dust (ceiling tile access)

Date: Friday, May 29, 2026

Duration: 8:00 am to approximately 3:30 pm

Details: Facilities Management, EH&S Fire Alarm Shop, and Jensen Hughes consultants will be performing limited fire alarm system assessment activities in support of the upcoming Engineering Tower Fire Alarm Replacement Project. Work may include or require visual inspection of existing fire alarm, above ceiling observations, functional verification of fire alarm devices & interface and access to all spaces including offices, conference rooms, work areas, telecom/electrical spaces, and support areas.

* We use South Coast Air Quality Management District (SCAQMD) compliant low-VOC materials (e.g., paints, sealants, etc.). For any health concerns, please contact Environmental Health & Safety at x4-6200.

We appreciate your cooperation and apologize for any inconvenience this may cause.

If you have any questions or concerns, please contact Facilities Management Project Manager, Kyle Prenzlow, at 949-969-3079 or kprenzlo@uci.edu

CC: Building Facility Manager (please route to appropriate MSO/affected faculty and/or staff)

Date Posted: Thursday May 14, 2026

Please post until: Friday May 29, 2026
